

## **MISSION**

*To provide the people of Tiffin with full and equitable access to local parks, trails, recreational programs and leisure opportunities that enhances the quality of life in our community.*

## **VALUES**

- **Quality and Service:**

*We emphasize quality over quantity in our delivery of services and in long-term investments of equipment and facilities.*

- **Community Development:**

*We aid in community development through support of high profile events in our parks and by advocating for continued improvements in parklands and facilities realizing that public perceptions of our community are strongly influenced by these efforts.*

- **Inclusion:**

*We believe that public recreation programs and parks should be open and welcoming to all people regardless of race, religion, age, gender, socioeconomic status, or ability.*

- **Preservation:**

*We make a concerted effort to maintain a balance of natural and developed areas within the city park system.*

**The benefits are endless...**

Matt Coleman, Recreation Coordinator

## GET INVOLVED!

### Program Volunteer

Volunteering with Tiffin Park and Recreation is fun, challenging, and rewarding. Through serving as a program volunteer, you can increase your leadership skills, share your knowledge with others, and be challenged by a new experience.

Be a Positive Role Model at our Adventure Day Camp!

Our program volunteers help out at special events such as the Fourth of July Celebration, Pepsi Pitch, Hit & Run, and the Fall Festival. Program volunteers also help with youth programs such as our sports camps, Adventure Day Camps, and P.L.A.Y. days. Volunteers serve coaches in the little league program as well. Tiffin Park and Recreation's heart and soul are its program volunteers. With your help, these programs have a valuable impact on kids, families, and our community.

## Volunteer Involvement Program for Teens

Teens, a minimum of thirteen years of age, can get involved in their community by joining the Tiffin Park and Recreation's Volunteer Involvement Program! (V.I.P. Teens) The volunteers in this program assist with a variety of special events, park clean up days and day camp activities. Teen volunteers donate their time and expertise while earning valuable service hours needed to fulfill school credits, National Honor Society, and college entrance requirements. Not to mention, V.I.P. teens are very important and make a difference in their community. Come be a part of this new and growing program!

### COMMUNITY SERVICE PROJECTS

In our large park and recreation system, we could not do what we do without you. The dedication and energy of community service volunteers enables us to take on park improvement projects we would not otherwise have the time to do. Community Service Volunteers team up with their neighbors, co-workers, church, school or community organization to organize service projects. Teams spend a day outdoors to aid in caring for and improving our public parkland and green spaces. Tiffin Park and Recreation will work with you to design a project your team will enjoy.

## SPONSORS

If you don't have too much spare time on your hands, you can still help. Many of our special event programs and youth summer camps are made possible through sponsorship by local businesses and organizations.

Sponsorships allow us to offer more special events and to provide our youth programs for free. In addition, local businesses, organizations, and clubs gain recognition for giving back to their communities.

## DONATIONS

We accept monetary donations toward our many park projects. Your support of Tiffin Park and Recreation Department goes toward the direct cost of a project, and has a direct impact on parkland, playgrounds, recreation facilities, and leisure opportunities in our community. In addition, in-kind donations are also accepted.

For example, prizes for tournaments, sports equipment for youth leagues, office equipment, and printing costs have been donated. We work hard to offer our youth programs free of charge, and we continually streamline our operations to make the most of every dollar and donation we receive.
